An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Regarding, the amendment to the specification filed 2/16/06, the amendment has been entered after line 5 on page 10 rather than after line 8 to correct an obvious typo which would have placed the amendment in the middle of a sentence.

Regarding, the amendment to the specification filed 9/25/06, the amendment has been entered after line 12 on page 11 rather than after line 21 to correct an obvious typo because no line 21 exists on the page.
